

People are Watching

Since *Cracking the Genesis Code* has been airing on 3ABN, the Hope Channel and A. D. Venir, some amazing stories have been surfacing and in my column this month I would like to share some of them with you.

In January of this year I was at a supermarket in downtown Medellin, Colombia when a gentleman tapped me on the shoulder and asked: "Are you Stephen Bohr?" When I answered "yes" he said: "I have been watching your program on the A. D. Venir satellite channel. I am a catechist of the Roman Catholic Church and I am using your material to teach my class."

On August 5th at the bus depot in David, Panama, another gentleman approached me and asked me the same question. When I answered yes, he told me that he was not an Adventist but that he watching the Genesis series every day on 3ABN. He told me he believed that what he was hearing was the truth.

On August 14th I was rushing to my departure gate at the Guatemala City airport and a lady stopped me and asked the same question. When I answered yes, she said, I am not an Adventist but I regularly watch your Genesis program on 3ABN and I like it very much. Lamentably, because of a close connection I had to rush to my gate and I was not able to pursue the conversation.

In recent weeks we have received numerous e-mails from Peru, Bolivia, Colombia and Venezuela (where the Genesis series is being broadcast on David Gates' satellite station A. D. Venir). People are asking how they can acquire sets of DVD'S for witnessing purposes.

A couple of weeks ago I received two e-mails from a non-Adventist ex-guerrilla fighter in Ibague, Colombia. He requested a set of DVD'S because he plans to rent a hall in the city and invite many of his fellow ex-guerrilla's to watch the Genesis series.

At a recent evangelistic crusade in Cerro Punta, Panama three families told me that they had accepted the truth by watching the Genesis series. They taped the lectures and are using them to reach out to their non-Adventist families and friends!

A few weeks ago we received an e-mail from a South African pastor. He informed us that the previous Sabbath, five non-Adventists had walked into church and requested baptism. When the pastor mentioned that they would have to take classes to prepare for baptism they said that they already knew what the Seventh-day Adventist Church believed because they had watched the Genesis series.

These are just some of the exciting things which have been happening at Secrets Unsealed. In our daily prayers we plead with the Lord to reach those who are hungering and thirsting for Present Truth. Jesus is coming soon, sooner than we think, and at Secrets Unsealed we long to be used by the Lord to hasten that day! Fully aware that the silver and the gold belong to the Lord, we also earnestly pray that the Lord will sustain us financially. If you wish to share in our vision and mission you can do so by earnestly praying for God to use this ministry for the finishing of His work. Also if you wish to support Secrets Unsealed financially, we would be glad to receive your tax deductible contribution. This will make it possible for us to produce new truth filled materials for television broadcast.
