

SOLA

Dear Friend of Secrets Unsealed.

Along with the apostle Paul I salute you, wishing you God's grace and peace from God our Father and the Lord Jesus Christ (Ephesians 1:2).

I want to take this opportunity to keep you in the loop on the latest developments at Secrets Unsealed. There is much going on but there are a few things in particular that I would like to share.

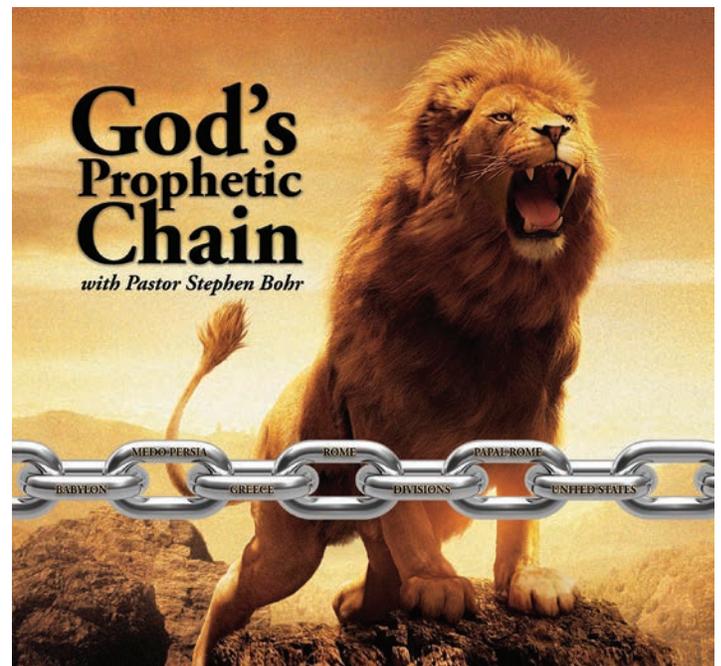

The fundraising for the expansion project is going well. If you remember, the total cost of the project is \$210,000. To date we have received \$85,541 in donations, not including one donor's dollar-for-dollar match up to \$100,000. This means that with the match we have raised a total of \$171,082. In order to benefit from the full \$100,000-match we must still raise \$14,459 plus an additional \$10,000 in non-matching funds. Thus the total that we must still raise is \$24,459. We so much appreciate your financial support of this project that will allow us to expand our services in the proclamation of Present Truth. Let us all join forces to finish this project in an expeditious manner.

Our latest production series I consider to be one of the most important that we have ever undertaken. The title is "God's Prophetic Chain" and it traces the continuous and unbroken historicist prophetic timeline from Babylon till the setting up of Christ's everlasting kingdom. It gives the viewer a composite picture of prophetic history without

missing one link. I believe that when this series airs on television, it will be instrumental in reaching millions with the simple, clear prophetic message for this time. The series is now available along with a syllabus from Secrets Unsealed. Your financial support makes it possible to continue producing programming such as this to reach the world and the church with our precious end time message.

We continue to live stream every production and we put everything instantly on YouTube for public viewing. Some have wondered whether this public access to our productions impacts our sales and the answer is probably yes because if our productions can be downloaded why would people buy them? The bottom line is that our ministry is **not about sales** but about **getting the message out** to as many people as possible. We have taken to heart

the words of Jesus, 'seek ye first the kingdom of God and its righteousness and all these things will be added unto you'. Since the inception of Secrets Unsealed we have witnessed how God has always impressed the hearts of our supporters to provide the means to carry our precious message to the masses. Allow me to share an email I just received from a 23 year-old in Africa on the power of downloading from YouTube:

"I download most of the series that you present to all who need to hear the word of God. . .

As a result of downloading most of the presentations and your audio sermons, I try to share with my friends. One of my friends also ended up sharing them with a certain man who is a Bishop in a Pentecostal denomination. Him and my friend had been disputing over the issue of the Sabbath and other issues such as the secret rapture. But ever since my friend gave him most of the series that I downloaded, he watched them and has come to the point of being marveled to discover what he did not know.

He informed my friend that he is teaching his members what he is learning. And has come asking for more sermons produced by Secrets Unsealed. My friend came to me requesting for more and I gave him all of the series that I have downloaded presented by you and the entire team of Secrets Unsealed.

Please don't stop organizing such presentations. My prayer is that all those whom we have shared your sermons with may learn the truth and be influenced to thirst for more and look for it. Thank you for always informing us via mail of the upcoming series. It helps me to keep a collection after downloading them and share with both Adventists and non Adventists."

Before bringing this letter to a close I wish to mention some exciting news about our 2017 Summit. At 3:30 AM on August 2, 2016 my regular sleep eluded me. God seemed to be saying: "Plan something special for 2017!" Though I am rarely guided by impressions, the 2017 Secrets Unsealed Summit kept coming to mind. You might wonder why this particular yearly event was the subject of my thoughts.

As is well known, on October 31, 1517 Martin Luther nailed his famous 95 Theses on the massive door of the Wittenberg Cathedral, an event that became the engine for the Protestant Reformation. The perceptive reader will notice that the last week of 2017 (1517-2017) marks the 500th anniversary of Luther's audacious and daring

act. As I lay in bed meditating and praying, the Lord impressed me that Secrets Unsealed should organize an out-of-the-ordinary Summit next year to draw attention to this event.

The Church in Wittenberg, Germany

As we all know, the papacy's global influence has grown exponentially in recent years and Protestants, having cast aside the prophetic method of Historicism, have drawn dangerously closer to Rome. Believe it or not, Lutherans and Catholics are planning a special joint celebration of the Reformation next year in Wittenberg and it is rumored that pope Francis I will attend and address the event! Should not Secrets Unsealed also organize a significant event to focus minds on the true significance of the Reformation and how its importance has been forsaken by contemporary Protestantism?

The clarion call of the Reformation could be summarized in just one word—SOLA (ALONE)! The Reformers commonly referred to five 'solas': *Sola Scriptura* (Scripture Alone), *Sola Fide* (Faith Alone), *Solus Christus* (Christ Alone), *Sola Gratia* (Grace Alone), and *Soli Deo Gloria* (God's Glory Alone). As I lay in bed, a thought crystal clear as a Rocky Mountain stream, came to mind. Why not have 'SOLA' as the central theme of our Summit, October 25-29, 2017? Why not gather a select group of speakers to address the five 'solas' and produce the series for global television broadcast?

"SOLA"

So I jumped out of bed and began laying plans for this special Summit. Those who have attended previous summits know that we customarily begin on Thursday evening and end at noon on Sunday. This time we plan to extend the Summit an additional day, starting on Wednesday evening, October 25 and ending Sunday, October 29, at noon. The venue will still be the spectacularly beautiful Tenaya Lodge near Yosemite National Park.

The plan is to bring in some of the best conservative speakers available in the denomination to address hot button topics such as the following:

- **Sola Scriptura:** Is there room for Ellen White?
- **Sola Scriptura:** Does Culture Trump Scripture?
- **Sola Scriptura:** How Do You Read? (hermeneutics)
- **Sola Scriptura:** Does Science Trump Scripture?
- **Sola Scriptura:** Is the Bible Historically Accurate?
- **Sola Scriptura:** Which Bible Version?
- **Sola Scriptura:** Is There Room for Tradition?
- **Sola Scriptura's** Health Principles
- **Sola Scriptura** Versus Post-Modern Thinking
- **Sola Scriptura:** The Test of Experience
- **Sola Scriptura:** The Sanctuary World View
- **Paul and James:** A Contradiction?
- **Sola Fide:** Is there room for works?
- **Solus Christus:** Is there room for doctrine?
- **Does Sola Gratia** Abolish the Law?
- **Sola Scriptura** and End Time Events

We usually have four speakers at our summits but in 2017 we plan to have even more. Several speakers have already accepted our invitation (including Andrews Seminary professor Gerard Damsteegt and Southwestern Adventist University New Testament scholar, Ingo Sorke). Others are in the process of being contacted.

We realize that adding an extra day to the schedule will mean an additional expense for those who attend so we have decided to significantly reduce the registration fee to make the event more accessible (more specific information later). The Summit is never a money-maker so we are stepping out in faith and are certain that God will provide the means—after all, He owns the silver and the gold!

Besides the in-depth Bible studies at the Summit, you will also be able to enjoy the beautiful scenes of nature

Yosemite National Park

near Yosemite National Park, fresh mountain air, great fellowship, time for prayer, hiking trails, delicious vegetarian and vegan meals, comfortable lodging, and incredible special pricing on Secrets Unsealed products. So why not set aside October 25-29, 2017 on your calendar for this special event? Remember, this special event occurs only every five hundred years!

As I close I would once again like to thank each of you for your regular and generous financial support of Secrets

Tenaya Lodge, Central California

Unsealed. In a land that is suffering a famine for Present Truth we are committed to proclaiming God's end time message with boldness and fearless determination. Please keep us in your prayers and may God reward your investment in this, His ministry.

I leave you with the glorious Scripture promise:

“Now unto him that is able to keep you from falling, and to present you faultless before the presence of his glory with exceeding joy, to the only wise God our Saviour, be glory and majesty, dominion and power, both now and ever. Amen.”

Wise Gifts from an IRA Rollover

As we approach the closing months of the year, many of you will be required to make a Required Minimum Distribution {RMD} from your IRA. Congress has made permanent the option of making direct contributions from an IRA to charity. If you are at least 70.5 years old, do not need withdrawals for basic living needs and are planning your 2016 charitable giving now, this is a wonderful opportunity to bypass taxes and help Secrets Unsealed ministry.

You can transfer up to \$100,000.00 annually from your IRA to charity tax free. Such transfers count as part of your RMD. Unlike other payouts from traditional IRA's, direct donations do not count as taxable income, neither do they give an itemized deduction. This is an excellent way to fulfill your charitable intent and partner with Secrets Unsealed in touching lives for Jesus.

Have you considered naming Secrets Unsealed as a beneficiary as well to your IRA?
